BRANDEIS, Concurring Opinion

MR. JUSTICE BRANDEIS, concurring.

Considerations of propriety, as well as long-established practice, demand that we refrain from passing upon the constitutionality of an act of Congress unless obliged to do so in the proper performance of our judicial function, when the question is raised by a party whose interests entitle him to raise it. *Blair v. United States*, 250 U.S. 273, 279.

I do not disagree with the conclusion on the constitutional question announced by the Chief Justice; but, in my opinion, the judgment of the Circuit Court of Appeals should be affirmed without passing upon it. The Government has insisted throughout the litigation that the plaintiffs have no standing to challenge the validity of the legislation. This objection to the maintenance of the suit is not overcome by presenting the claim in the form of a bill in equity and complying with formal prerequisites required by **Equity Rule 27. The obstacle is not procedural. It inheres in the substantive law**, in well settled rules of equity, and in the practice in cases involving the constitutionality of legislation. Upon the findings made by the District Court, it should have dismissed the bill.

Third. The practice in constitutional cases. The fact that it would be convenient for the parties and the public to have promptly decided whether the legislation assailed is valid cannot justify a departure from these settled rules of **corporate law and established principles of equity practice**. On the contrary, the fact that such is the nature of the enquiry proposed should deepen the reluctance of courts to entertain the stockholder's suit.

It must be evident to any one that the power to declare a legislative enactment void is one which the judge, conscious of the fallibility of the human judgment, will shrink from exercising in any case where he can conscientiously and with due regard to duty and official oath decline the responsibility. 1 Cooley, *Constitutional Limitations* (8th ed.), p. 332.

The Court has frequently called attention to the "great gravity and delicacy" of its function in passing upon the validity of an act of Congress, [n3] and has restricted exercise of this function by rigid insistence that the jurisdiction of federal courts is limited to actual cases and controversies, and that they have **no power to give advisory [p\*346] opinions**.

The Court developed, for its own governance in the cases confessedly within its jurisdiction, a series of rules under which it has avoided passing upon a large part of all the constitutional questions pressed upon it for decision. They are:

**1. The Court will not pass upon the constitutionality of legislation in a friendly, nonadversary, proceeding, declining because to decide such questions is legitimate only in the last resort, and as a necessity in the determination of real, earnest and vital controversy between individuals.** It never was the thought that, by means of a friendly suit, a party beaten in the legislature could transfer to the courts an inquiry as to the constitutionality of the legislative act. *Chicago & Grand Trunk Ry. v. Wellman*, 143 U.S. 339, 345. Compare *Lord v. Veazie*, 8 How. 251; *Atherton Mills v. Johnston*, 259 U.S. 13, 15.

**2. The Court will not "anticipate a question of constitutional law in advance of the necessity of deciding it."** [p\*347] *Liverpool, N.Y. & P. S.S. Co. v. Emigration Commissioners*, 113 U.S. 33, 39; [n5] *Abrams v. Van Schaick*, 293 U.S. 188; *Wilshire Oil Co. v. United States*, 295 U.S. 100. "It is not the habit of the Court to decide questions of a constitutional nature unless absolutely necessary to a decision of the case." *Burton v. United States*, 196 U.S. 283, 295.

**3. The Court will not "formulate a rule of constitutional law broader than is required by the precise facts to which it is to be applied."** *Liverpool, N.Y. & P. S.S. Co. v. Emigration Commissioners*, supra; compare *Hammond v. Schapp Bus Line*, 275 U.S. 164, 169-172.

**4. The Court will not pass upon a constitutional question, although properly presented by the record, if there is also present some other ground upon which the case may be disposed of.** This rule has found most varied application. Thus, if a case can be decided on either of two grounds, one involving a constitutional question, the other a question of statutory construction or general law, the Court will decide only the latter. *Siler v. Louisville & Nashville R. Co.*, 213 U.S. 175, 191; *Light v. United States*, 220 U.S. 523, 538. Appeals from the highest court of a state challenging its decision of a question under the Federal Constitution are frequently dismissed because the judgment can be sustained on an independent state ground. *Berea College v. Kentucky*, 211 U.S. 45, 53.

**5. The Court will not pass upon the validity of a statute upon complaint of one who fails to show that he is injured by its operation.** [n6] *Tyler v. The Judges*, 179 U.S. [p\*348] 405; *Hendrick v. Maryland*, 235 U.S. 610, 621. Among the many applications of this rule, none is more striking than the denial of the right of challenge to one who lacks a personal or property right. Thus, the challenge by a public official interested only in the performance of his official duty will not be entertained. *Columbus & Greenville Ry. v. Miller*, 283 U.S. 96, 99-100. In *Fairchild v. Hughes*, 258 U.S. 126, the Court affirmed the dismissal of a suit brought by a citizen who sought to have the Nineteenth Amendment declared unconstitutional. In *Massachusetts v. Mellon*, 262 U.S. 447, the challenge of the **federal Maternity Act** was not entertained, although made by the Commonwealth on behalf of all its citizens.

**6. The Court will not pass upon the constitutionality of a statute at the instance of one who has availed himself of its benefits.** [n7] *Great Falls Mfg. Co. v. Attorney General*, 124 U.S. 581; *Wall v. Parrot Silver & Copper Co.*, 244 U.S. 407, 411-412; *St. Louis Malleable Casting Co. v. Prendergast Construction Co.*, 260 U.S. 469.

**7. When the validity of an act of the Congress is drawn in question, and even if a serious doubt of constitutionality is raised, it is a cardinal principle that this Court will first ascertain whether a construction of the statute is fairly possible by which the question may be avoided.** *Crowell v. Benson*, 285 U.S. 22, 62. [n8] [p\*349]

Fourth. I am aware that, on several occasions, this Court passed upon important constitutional questions which were presented in stockholders' suits bearing a superficial resemblance to that now before us.

If, or insofar as, any of the cases discussed may be deemed authority for sustaining this bill, they should now be disapproved. This Court, while recognizing the soundness of the rule of *stare decisis* where appropriate, has not hesitated to overrule earlier decisions shown, upon fuller [p\*353] consideration, to be erroneous. [n11] Our present keener appreciation of the wisdom of limiting our decisions rigidly to questions essential to the disposition of the case before the court is evidenced by *United States v. Hastings*, 296 U.S. 188, decided at this term. There, we overruled *United States v. Stevenson*, 215 U.S. 190, 195, long a controlling authority on the Criminal Appeals Act.

MR. JUSTICE STONE, MR. JUSTICE ROBERTS, and MR. JUSTICE CARDOZO join in this opinion.

25 or the United States citizenship is determined by the United States Attorney General  
26 to be motivated by tax avoidance purposes, I will be found excludable from the  
27 United States under the Immigration and Nationality Act as amended. Number nine  
28

1 The extremely serious irrevocable nature of the act of renunciation has been  
2 explained to me by counsel, Lynn D. Gutenson, at the American Consulate General  
3 at Vancouver. I fully understand it's consequences. I choose to make a separate  
4 written explanation of my reasons of renouncing my United States citizenship. I  
5 agree in the nature of Matthew

6 GUTENSON: No, you have to read the statement as it is shown, sir.

7 RICE: I believe, listen to me, Lynne, I agree, in the nature of the bible, new  
8 testament Matthew

9 GUTENSON: You may affirm

10 RICE: Matthew

11 GUTENSON: Sir, you may say affirm

12 RICE: This is where I get to speak for

13 GUTENSON: I am asking you to read the statement of renunciation as it is  
14 written here before you sign it. I am not asking you to edit it or to add things to it.  
15 If you will please read the final statement before you sign.

16 RICE: In the nature of, listen to me

17 GUTENSON: Sir,

18 RICE: Lynne, listen

19 GUTENSON: I am asking you

20 RICE: Lynne

21 GUTENSON: And I asked you at the beginning of this statement to read the  
22 statement as it is written.

23 RICE: Upon my religious beliefs, I am telling you

24 GUTENSON: I am asking you only to affirm that you have read this statement

25 RICE: ... that I may read the statement and finish it. I'm not here to argue with  
26 you. I'm not here to make war with you. I'm not here to fight with you.

27 GUTENSON: Are you here to sign this statement?

1 RICE: I am here to sign this statement

2 GUTENSON: All right, if you will finish reading the statement and sign the  
3 statement, then we will get on with the business of

4 RICE: You want to let me finish?

5 GUTENSON: Your renunciation

6 RICE: As soon as you let me finish, I'll finish. May I finish?

7 GUTENSON: If you're going to finish reading the statement, that's fine. But  
8 if you are

9 RICE: Who's renouncing here?

10 GUTENSON: Planning

11 RICE: Lynne, who's renouncing here, you or me?

12 GUTENSON: You're renouncing. This statement shows that you are  
13 renouncing. We're not asking you to edit or to redo this statement, sir

14 RICE: I'm not editing in the written form

15 GUTENSON: You're adding more to the statement than is here.

16 RICE: In the nature of Matthew, chapter 5, verses 33 through 37, I agree and  
17 in the nature of affirmation that I have read this statement in the English language and  
18 fully understand it's contents. Now I will sign

19 GUTENSON: Please have a seat. On these five statements I want you to  
20 make a handwritten change saying what you want to affirm, to according to Matthew

21 RICE: Okay.

22 RICE: You want me to sign each one as I do this

23 GUTENSON: No, I have to swear you in first.

24 GUTENSON: Okay, now, may I have you raise your right hand, sir? Do you  
25 swear or affirm that all of the information you have provided to us is complete and  
26 correct to the best of your knowledge?

27 RICE: I affirm the nature of the form so signed

28

1 GUTENSON: All right, and then if you will sign each one.

2 GUTENSON: All right, the next one I need you, why don't you read through  
3 it and see if there is anything that you object to that you wish to change. I am  
4 informing you that any changes you make, we will be happy to submit to the State  
5 Department as you have amended them.

6 RICE: Okay.

7 GUTENSON: Okay, please read it aloud.

8 RICE: Certainly. I am going to read the whole thing and then I will just read  
9 it aloud for you.

10 GUTENSON: That's fine.

11 RICE: The whole thing from the top?

12 GUTENSON: Ah, you can start with I, Shawn Talbot Rice.

13 RICE: I, Shawn Talbot Rice, a national of the United States, solemnly affirm  
14 in the nature of Matthew 5: 33 through 37, that I was born at Catalia, California on  
15 November 29th, year of our Lord, 1962; that I formerly resided in the United States  
16 at 1810 West Northern Avenue, A9106, Phoenix, Arizona, 85021 and I am a  
17 National of the United States by virtue of my birth in the United States, that I desire  
18 to make a formal renunciation of my American nationality as provided by Section  
19 549(a)(5) of the Immigration and Nationality Act and pursuant thereto I hereby  
20 absolutely and entirely renounce my United States nationality together with all rights  
21 and privileges and all duties and allegiance and fidelity thereto, there unto pertaining.

22 GUTENSON: All right. If you will sign, you are still under oath.

23 RICE: Now, this is for you, correct?

24 GUTENSON: That's for me.

25 RICE: All right.

26 GUTENSON: Now, as you go through to sign, if you will just make the same  
27 changes.

1 RICE: Yes, ma'am.

2 GUTENSON: On each one of the copies.

3 GUTENSON: And I want to be sure that you understand fully that having  
4 done this you are not at this moment accepted as a renounced U.S. citizen; however,  
5 we will be sending all of the paper work forward to Washington, D.C. to the  
6 Department of State. If your renunciation is approved, then it will be retroactive to  
7 this date. I hope that you are fully aware that by renouncing your citizenship you will  
8 become an alien of the United States.

9 RICE: Bless you.

10 GUTENSON: Are you aware of that?

11 RICE: Bless you, ma'am.

12 GUTENSON: Okay. And, if you wish to reside permanently within the  
13 borders of the United States that this may create some problems for you as an alien.

14 RICE: I understand what you just said. I agree with it. Bless you.

15 GUTENSON: All right, then we have completed the paperwork process. All  
16 right. Do you have any further questions?

17 RICE: No, ma'am.

18 GUTENSON: All right, good enough. Then we have all of your details and  
19 so, ah, I don't know, I can't tell you how long it will take before the Department of  
20 State makes a ruling or a determination on that, but they will let us know and we will  
21 be in touch with you.

22 RICE: It's been a pleasure doing business with you.

23 GUTENSON: All right.

24 RICE: You can smile.

25 GUTENSON: I can indeed.

26 RICE: First time, I just saw you smile.

27

28

1 GUTENSON: That's not the problem, sir. The problem is that we just want  
2 you to know that by making whatever changes you may make to the form, we will  
3 submit it with the changes that you have made, it's not the form as it was originally  
4 intended.

5 RICE: Bless you

6 GUTENSON: All right?

7 RICE: Thank you

8 GUTENSON: Bye.

## REASON FOR EXPATRIATION BY AFFIDAVIT

on the soil )  
Maricopa county ) ss: ASSEVERATION  
Arizona )

In every man's life there comes a time where he must decide which path to follow in order to live with his conscience. I am no different. In order to lead a positive productive life positive virtue, good morals and ethical values must follow. A form of rules usually flows therein. Being a descendant of the House of Ephraim and after much deliberation with my Rabbi, I state the following, for reasons listed hereafter and for revelations made to appear to me, in various forms, I have decided to ensure that any alleged political ties have been severed and for the UNITED STATES (a Federal Municipal Corporation law) found to acknowledge and stipulate to said machinery/procedure like that illustrated in the nature of *ATROYIM v. RUSSK*, 387 U.S. 253 (1967) and of the Right of the expatriation in order to assert of and remain within the original Biblical values upon which that nation was originally founded.

It appears to me that the current UNITED STATES (a Federal Municipal Corporation) CONSTITUTION was formed as evidenced by the Legislative Act of February 21, A.D. 1871, Forty-first Congress, Session III, Chapter 62, p.419. Exhibit A. It appears to me that this UNITED STATES (a Federal Municipal Corporation) was acting as a General Partner with the original agreement of A.D. 1787, known as the Constitution for the United States of America, declared bankruptcy in A.D. 1933. After this event a foreign (alleged creditor) entity allegedly took possession of all pledged assets. After much study and due diligence I discovered and observed the following appear:

- 1 In May - June A.D. 1992, I observed the United Nations, a Theosophical/Luciferian [Freedom on the Alter] based organization, use Russian KGB Agents to make unlawful agreements with the Khmer Rouge in Cambodia, that the UNITED STATES and its agencies, CIA etc., assented. That as late as 1992 the Khmer Rouge was conducting training with UNITED STATES assent in eastern Thailand next to the Cambodian border while the United Nations forces were attempting to disarm and place said Khmer Rouge "guerrilla's" in "cantonments." That there existed a UNITED STATES controlled media campaign to foster and control public opinion to accomplish the cantonment project.
- 2 CAFR and composite government - That there exists two different sets of "books and records" that are evidenced by the Comprehensive Annual Financial Report (Composite Government). This demonstrates that there is no deficit and therefore no debt. It demonstrates that 1200+ composite government organizations are woven into a web of greed unparalleled in the history of man. It demonstrates that the government known as the United States is a sham. Exhibit B.
- 3 State Bifurcation - Exhibit C.
- 4 DTC Depository Trust Company (DTC) is one of the best-kept secrets in America. Exhibit D.
- 5 Ruby Ridge - That anytime any governmental organization does not demonstrate the good sense and common decency to NOT shoot an unarmed mother holding a child and takes punitive action against a family peacefully living off the land in which they live is not worthy of membership.
- 6 WACO - After personally interrogating David Thibido (?) on July 4th, A.D. 1996, in regards to actions taken at the site of the WACO massacre and reviewing the publicly available evidence I came to the following conclusions: I do not entirely agree with the groups philosophical beliefs system. However, in light of the fact that BATF undercover agents could have arrested David Koresh peacefully through local County Sheriff authorities and other inconsistencies and other problems, and, after having trained for a similar assault while serving as a USMC CH-46 Helicopter Pilot (Exhibit E) in Hawaii between war zones and deployments, it appears to me that the entire escapade was either conducted by incompetents or was perfectly orchestrated by media approved political planners to orchestrate passage of many Bills and Executive Orders.
7. After reading, reviewing and making numerous phone calls in regards to the book known as Compromised by Terry Reed and John Cummings and numerous information sources, direct and indirect, I have concluded that some very negative people are running the UNITED STATES with their own private agendas.

- 8 That since Title 50 United States Code states that the populace of that geographical land mass known as the United States of America can regionally be used as a biological weapons testing ground with notification of local authorities, I choose not to play any more
- 9 After having observed the exemplary, fair and well executed performance of Military Court Rooms and the sneaky, underhanded, conniving, ungentlemanly tactics of American Bar Member, County, and others, Court Room practices I cannot let the presumption upon my person remain labeled as a citizen. Furthermore, the today's courts in [the instrumentality] and for [the corporation] still operate in the nature of the INNS OF COURT created by the Knights Templars (known today as the Masonic Lodge and other Circle of Life based Luciferian belief systems, Rosicrucian, Illuminati, etc.)
- 10 After spending nearly a year during 1995, after departing the USMC Military Intelligence "business" on February 15, A.D. 1995, I learned that politically the UNITED STATES has too many luciferian based political groups (too numerous to mention here) controlling it.
- 11 Comparison of Wall Street Journal with Top Secret Board information while working at 3rd Marine Air Wing G-2 At Ft. Tolo Marine Corps Air Station of various activities that did not conceal
- 12 Oklahoma Bombing Clearly the represented named defendant did plant a "bomb" in front of the Federal building and deserved said sentence however there were and still are many others at work. I believe, being funded and supported by the alleged creditors and alleged owners of the alleged bankrupt United States
- 13 Having stated the foregoing I hereby recommend that said Municipal Corporation and agents thereof in and for said UNITED STATES acknowledge and stipulate to the lack of existence of said citizenship and said alleged cestus que trust allegedly created by same organization. That said UNITED STATES, or Municipal Corporation, hereby issue documents and accouterments, numbers etc., to represent the lack of nexus therein and for peaceful interface therein. In this manner the man subscribing below can live in accord with his conscience, follow the intent of Biblical scripture, and be held accountable for whatever torts and contract breaches intended to be enforced under Biblical Common Law
- 14 I hereby Biblically wash my hands and dust off my shoes upon and of said Municipal Corporation known as the UNITED STATES and will endeavor to live in peace on the soil, or thereabouts, of which I was created and subsequently born

Notice of those modifications to the Surety(ies) are waived.
